*Our website allows you to easily navigate through all of our key product categories. Our search filters allow you to narrow your product selection down by brand, price, product features and more!*

**Quick Order:** Log-in to quickly and easily add products by item number to your shopping cart. Simply select the 'Quick Order' link at the top of the home page.

**Re-Order:** As a logged-in customer that has ordered before, you can easily re-order those same products, with a simple click of a button.

**Product Comparison:** Having a tough time deciding between a few similar products? Our Product Comparison feature is here to help. Simply add the products you'd like to compare and then choose 'Compare', which allows you to see the products side-by-side.

**Advanced Search/Navigation:** Our search filters help you narrow down your product selections to help you find what you're looking for easier and quicker than ever.

**Favorites:** Log-in to 'Favorite' a product, which will store it in your 'Favorites' list. This can be used to store frequently ordered products or to mark products for future purchasing.

**Product Reviews:** You can leave reviews on products you've purchased and tried out. You can also read reviews from other users to have a better idea how the product has been viewed by others who have tried it.

- Order anytime.

## Need Assistance?

Whether you have a rush order or need to arrange regular shipments, you can count on us for the friendliest, most dependable service. Our experienced staff will answer your questions on pricing, product availability and any other technical questions you may have, as well as take your order.

## PURCHASE IN CASE QUANTITIES AND SAVE MONEY!

Our order-packing and expediting teams are working hard to get you the supplies you need when you need them. Ordering by the case allows us to efficiently fill your order. And because we don't have to break a case, we save time fulfilling your order — and then are able to pass that savings on to you.

### Here's a quick look at how our pricing is structured:

Number of units per case.		Unit of measure.	
▶ 20 PER CASE.		EACH	
ITEM NO.	PRODUCT	1-19	20+
1234 56789	Product Name	\$12.95	\$10.95
Item Number and Product Name		Price per each unit of measure.	
		DISCOUNTED PRICE Price per unit of measure when you purchase 20 items or more.	

### It's easy to see how case quantity purchasing SAVES you money! Here's an example:

Buy 18 individually for \$12.95 each  
and spend a total of \$233.10

OR

Buy 20 by the case for \$10.95 each  
and spend only \$219.00.

**You Save \$14.10 AND receive  
2 additional units!**

## GET MORE... PAY LESS!

These products are non-stock or special order and may require additional shipping time or fees.

Products marked with this image are eco-friendly and environmentally safe.

Product complies with HACCP regulations.

Products made in the USA.

Shipped by truck freight. Freight rates are available when ordering.

Certain items in this catalog are not returnable and have a NO RETURN symbol next to them.

You can find SDS sheets on our products at <https://bunzlusds.appoint.com/SDSLibrary/>

These items are exclusive to Bunzl Processor Division.

**WARNING:** Some products in this catalog may expose you to chemicals including DEHP Di (2-ethylhexyl) phthalate or BPA (Bisphenol A) which are known to the State of California to cause cancer or birth defects or other reproductive harm. For more information, visit [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

These products are considered hazardous materials and therefore could require special shipping. Call for details.

Scan QR codes with your mobile device for direct links to websites, videos and more.

Thoroughly read and understand all safety instructions before attempting to use this product.

# TERMS & CONDITIONS

## PRICES

Prices in this catalog are current prices at publication and are subject to change without notice. In the rare event of a printing error, we reserve the right to charge the correct price. Confirm current prices and availability by phone, fax, or e-mail. Prices are in U.S. dollars and do not include applicable taxes. Current up-to-date pricing can be found on our website [www.bunzlpd.com](http://www.bunzlpd.com).

## PAYMENT TERMS

We accept Visa®, MasterCard®, American Express®, Discover® and checks. We offer credit terms of Net 10 days for customers with a minimum monthly volume of \$500, subject to credit approval.

## INTERNATIONAL CUSTOMERS

Please contact us directly for a "pro forma quotation" with current pricing, appropriate freight, duty, taxes and clearance costs.

Payments may be made in U.S. dollars, Visa®, MasterCard®, American Express®, Discover®, bank transfer, or irrevocable Letter of Credit confirmed by any U.S. bank. Include the invoice number with all payments.

*Note: Some items are not available to be shipped outside of the U.S. Check with your sales representative for details.*

## SPECIFICATION CHANGES

Due to continuing improvements, product specifications and pricing are subject to change without notice.

## DISCOUNTS

Discounted prices for certain catalog items purchased in quantity do not apply to orders shipped outside the United States.

## SATISFACTION GUARANTEE

When purchasing from our catalog, you can rest assured that any product you order will meet your expectations — guaranteed! That's a promise from our friendly and knowledgeable Customer Service Representatives. However, in the rare case that any stocked supply item fails to meet with your expectations or approval, simply call our toll free number within 30 days and we can arrange for a repair, refund, exchange or credit towards your next purchase, except for those items noted as "No Return" items.

Call for warranty information on non-stock or special order items (i.e. equipment, doors, walls, etc.).

*Note: A restocking or repair fee may apply on certain special order items.*

## SHIPPING

Unless specified, we will determine the most expedient and efficient means of shipment based on dimensional weight - UPS or LTL (less than truckload). Alternate delivery may require additional cost. Appropriate charges will be added to your invoice.

Bunzl Processor Division will not be liable for any claim, loss, or damage caused in whole or in part due to delay in or failure to make delivery when such delay or failure is directly or indirectly caused by act of God; strike or other labor difficulty; transportation problems; accident; act of any civil or military authority; act of war; or act of purchaser; or by the occurrence of any other contingency beyond Bunzl Processor Division's reasonable control.

## RECEIVING/CLAIMS

It is the buyers responsibility to thoroughly inspect shipments upon receiving.

*Prior to signing for your items, check the number of packages received, as well as the condition of the product. Failure to do so will negate the ability to claim damages. Notification of short shipments or damage must occur within 2 business days of receipt of product for credit to be considered.*

Report the details immediately to our Customer Service Department by calling **800-456-5624**. Keep the carton and all packing materials. Notify shipper of shortage or obvious damage at time of delivery.

## RETURNS

Please call our Customer Service Department to obtain a return authorization number before returning items. When you call, please provide us with the following:

- BUNZL reference number (on packing slip) or invoice number
- Your purchase order number
- Date of purchase
- Reason for return

All items returned due to duplication or a change of need must be in unused, resalable condition and in its original packaging — within 30 days. Returned items may be subject to a restocking fee. Items returned due to damage occurring during shipping or defective products must be packaged so no further damage occurs.

*Note: Returns without prior return authorization will be charged a re-stock fee and may be refused.*

*Note: Certain items in this catalog are not returnable and have a NO RETURN symbol next to them.*

Some of these items include direct food contact items such as: casings, seasonings, packaging products, etc, medicines and medical supplies, certain chemicals, or coatings, stunner loads and solvents.

## CONFIRMING ORDERS

Please do not send a confirming order. If in your system you must send a confirming order, please mark it clearly as confirming to avoid duplication of orders sent.

**FREE GROUND SHIPPING\***  
when you place an order for \$500 or more from THIS BAKERY CATALOG!

\*FREE SHIPPING does NOT include UPS Next Day Air, UPS 2nd Day or UPS 3rd Day Select. Certain items may not qualify. This offer is good only on orders shipped UPS Ground in the 48 contiguous states. Based on dimensional weight, we will determine the most efficient means of shipment, either UPS or LTL. Products may ship by truckline.

## PUROFORT® FoodPro Steel Toe Boots

35% lighter than traditional rubber and PVC boots!

- Resistant to mineral, animal and vegetable oil, fats, blood, disinfectants and various chemicals.
- Highest slip resistant sole of any boot. Certified slip resistance (EN ISO 20345:2011 S4 CI SRC).
- Complies with CSA Z195-14 Omega, ASTM F2413-18 M/IC EH. • Steel toe cap for added safety.
- Remains flexible at low temperatures. • Shock-absorbing heel.
- Sole designed for specific food processing areas. • 14-inch upper.
- Five colors to reduce cross-contamination. • Seamed anti-bacterial lining.
- Thermal insulation keeps feet warm in temperatures as low as -4 °F and comfortable in hot conditions.
- Extra smooth upper for easy cleaning. • Orthopaedic insole design for superior comfort.
- Energy absorbing heel for extra ergonomic support.

Unique feature allows boots to be locked together. (separate lock required)

**\$147.95 \$139.25**

PUROFORT® is the unique Dunlop® material with millions of evenly distributed air pockets making it light-weight and thermally insulating plus a cross-linked structure that provides flexibility and strength. The material is created using a special recipe at the time of manufacture, giving your Purofort® boots a "born on" date. This gives Purofort® boots their remarkable properties.

*Purofort durability and slip-resistant sole outperforms traditional neoprene boots.*

*Multigrip Safety Sole: SRC rated for best slip resistance.*

Scan this QR code with your mobile device to watch a video about Purofort® Boots.

**NOTE: Our boots can be ordered and worn by men or women. There is a two size difference between men's and women's sizes. A woman ordering a boot should order two sizes smaller than her regular size. Example: women's size 9 would order men's size 7.**

## DuraPro® Boots

- Larger circumference at the top makes it quick and easy to pull the boot on.
- Inner liner allows for increased flexibility and subtle feel at the calf.
- Conformance information molded in sidewall for easy identification.
- Wider metatarsal design and comfort ankle for all-day comfort.
- Honeycomb design molded inside the heel to reduce impact when walking.
- Ergonomically designed foot bed to provide better underfoot support.

DuraPro® energizing insoles provide superior shock absorption, support and comfort. The comfort rim makes it feel more like a shoe than a boot.

## Brown Steel Toe DuraPro® XCP Superpoly Upper

For use where superior resistance to fats and oils is required.

## Endeavor and Die Cut Endeavor Aprons

- Provides ten times the abrasion-resistance of PVC and five times that of vinyl.
- Remains flexible in cold temperatures down to -65 °F; withstands heat up to 180 °F.
- Material returns to original shape even after a variety of physical and temperature stresses.
- Slick finish allows for easy clean-up — machine washable.
- One Endeavor apron will outlast dozens of disposable aprons.
- 5.5 mil thickness. • 100% non-toxic. • 100% recyclable.
- 50 inches L x 35 inches W.
- Resistant to fats, oils and chemicals.

Tougher,  
lighter,  
better  
quality,  
lasts longer  
than vinyl,  
neoprene,  
nitrile, Hycar  
for a fraction  
of the price!

## North® Nitri-Knit™ Supported Nitrile Coated Gloves

High performance supported nitrile gloves, excellent protection against solvents, caustics and animal fats.

- Complies with USDA and FDA regulations, 21 CFR, for use in food processing.
- Gloves will not swell, sag or weaken from fat absorption.
- Nitrile offers superior mechanical strength and outperforms supported natural rubber, neoprene and vinyl gloves when exposed to solvent, caustics and animal fats.
- True dip coated glove has a permanent bond of nitrile to inner-liner; won't peel apart like glued-in liners.
- Hand portion is treated with a permanent anti-bacterial and anti-mildew agent.
- Insulated versions recommended for temperatures from -10 °F to 300 °F (-23 °C to 149 °C).
- Pebble textured for added grip on wet or dry surfaces.

Pebbled grip finish.

**PROTECTS UP TO 300 °F**

26 inch shoulder length.

Insulated gloves provide added protection for hot or cold applications. Recommended temperatures -10 °F to 300 °F.

**WARNING:** These gloves are cut-resistant but not cut proof or puncture proof. Do not subject to moving or highly serrated blades.

## Kut Gard® Knit Gloves with Kevlar®

Two-ply knit gloves with Kevlar® protect hands from minor cuts and abrasions.

- Dupont Kevlar® fiber construction provides high tensile strength relative to its weight, is inherently cut resistant and will not melt, ignite or conduct electricity.
- Knit wrist helps prevent dirt and debris from entering the glove.
- Reversible design allows replacing one glove at a time, rather than pairs.
- Can be used as gloves or glove liners.
- Color coded hems for easy size identification.
- Color: yellow.

# WorkHorse® Stainless Steel Metal Mesh Gloves with Strap Closure

The longest lasting, safest, most comfortable mesh glove — at the **LOWEST COST!**

- Heavy-gauge stainless steel rings are machine welded to give the longest lasting protection against cuts and lacerations.
- Ergonomically designed to give the best fit and dexterity.
- Metal dome snap reduces donning and doffing time.
- Available in full hand style with permanently attached straps, and extended 2-3 inch cuff designs with field-replaceable straps.
- Color-coded adjustable strap denotes size.
- Easy to clean and sanitize.

**NOTE:**  
These gloves are sold individually,  
NOT as a pair.

## Aluminum Universal Rack

Ideal for transporting various sized platters, trays, boxes and totes.

- Strong, durable, all welded aluminum construction will not rust.
- Framework is constructed of 1-inch square x 0.07-inch wall tubing.
- Shelves are constructed of 1/2-inch x 1-1/4-inch oval tubing.

Oval tubing shelves for easy access.

Equipped with four, 5-inch swivel plate casters, two with brakes.

## Super Pan II® Steam Table Pans

- Pans are constructed of 22-gauge stainless steel to resist rust and corrosion.
- Reinforcer® corners won't bend and will withstand more impact than ordinary pans.
- Coved corners make scooping easier and allow for easy clean-up.
- Anti-jamming design keeps pans from sticking together when stored.
- Flat edges keep pans tight in steam table well to seal in heat.
- Optional covers have reinforced edges and fit securely to prevent spills during transport.

Optional pan cover.

## Heavy-Duty Wire Shelving

Rustproof, green epoxy coating is applied over a zinc-chromate finish and will stand up to years of harsh conditions.

### EASY, NO-TOOLS ASSEMBLY!

- Just screw the post together then snap the sleeve onto the desired indexing groove and drop the shelf's collar over it.
- Posts are numbered for easy assembly.
- Shelves can be adjusted at 1 inch increments along the entire length of the post.
- Tie multiple units together with our "S" clips for increased rigidity and storage space.
- Combine different depth shelves to jog around wall protrusions, run-around corners, etc.

### THE SECRET Behind the Strength

3-wire truss all-welded design makes it a dozen times stronger than a solid steel truss of the same weight.

### CASTER KIT

Move your shelving easily by replacing levelers with casters. Each caster kit contains four, 5-inch casters (2 with locks and 2 without locks) and four easy-to-install adapter sleeves that better reinforce the legs of the shelving structure and allow the casters to fit securely over them. These unique sleeves keep the legs from bending on loads totaling up to 500 pounds.

### LEVELING IS A BREEZE!

- Level with just a twist of the wrist.
- Adjust loaded shelves with an open-end wrench.
- For mobility, replace the levelers with a caster kit.
- Leveling bolt: 3/8" x 16 tpi.

### HOLDS UP TO 2,400 POUNDS!

**Recommended weight distribution: 800 pounds max per lower shelves and 400 pounds max per upper shelves.**

**Load capacity with casters is 500 pounds total.**

## ChillTote™ Trays

- ChillTotes™ fit four-up on standard 42-inch x 48-inch pallets.
- Light-weight freezer proof, stackable/nestable and easy to clean.
- Flow-thru basket design allows maximum air circulation for faster, more efficient freezing.
- Heavy ribs on bottoms of trays prevent the contents of upper and lower trays from freezing together.
- Injection molded from high-density polyethylene to withstand constant freezer temperatures without cracking or warping.
- Capacity: Standard: 1.4 cubic feet, 50 pounds;  
Deep: 2.9 cubic feet, 75 pounds.

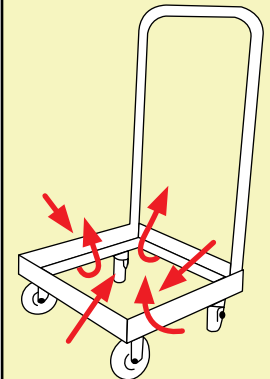

**Cuts Conventional Freezing Time IN HALF!**

Two 3/8 inch zinc-plated steel wire bails swinging down to allow nesting and swing up for stacking.

**NOTE: Maximize your freezer space and eliminate basket shelving by using ChillTote™ aluminum transport dollies. SEE BELOW.**

## Sanatec® Poly Cutting Board Table Tops

An economical alternative to wood surfaces.

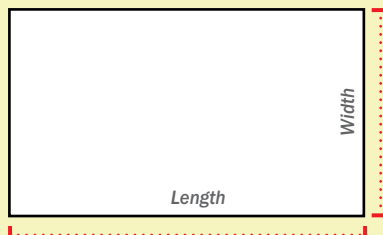

- Made of sanitary polyethylene with a reversible slip-resistant pebble finish that won't dull knives.
- Surface will not absorb odors – clean with soap and water.
- Select from four thicknesses, sold per square foot.

**CUSTOM CUT to Any Size or Shape to Fit Your Table!**

### HOW TO CALCULATE REPLACEMENT CUTTING BOARDS

1. Measure L and W in inches.
2. Multiply L x W for total square inches.
3. Divide total square inches by 144.
4. Round calculation up to the nearest foot.
5. Take that number x price per square foot.

**L x W = Total Square Inches**

#### Example:

1. Board desired is 13 inches W x 76 inches L.
2. 13 inches x 76 inches = 988 square feet.
3. 988 divided by 144 = 6.86
4. Round 6.86 up to nearest foot = 7
5. Take 7 x price of board per square foot = Total price

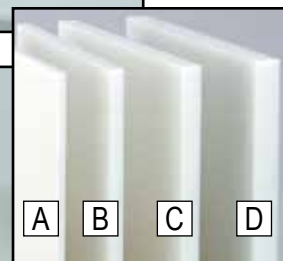

**We recommend boards no larger than 18 inches W x 5 feet L, removable for cleaning by a single worker.**

## Pre-Cut Sanatec® for Aluminum Tables

- Specify length of aluminum frame table.  
4-foot table requires 2 pieces;  
6-foot table requires 3 pieces;  
8-foot table requires 4 pieces.
- Removable for easy cleaning.

2990 3254	For 72" Tables . . . . .	<b>\$13.50</b>

### BUILD YOUR OWN STAINLESS STEEL WORK TABLE

#### 1. Start with a "Rock Solid" stainless frame:

- Unique design yields a table which is remarkably rigid front-to-back and side-to-side, yet flexible along its length to twist to accommodate uneven floors. Even with a one inch block under one leg, all legs make solid contact with the floor and the table won't wobble or shake, (see inset). The key is the oversized, welded gussets. Legs are adjustable to level the table.
- Available in 72 or 96 inch lengths x 30 inches deep.

#### 2. Choose from a split-poly or full stainless steel work top

- No tools needed to install either top. Stainless steel clips hold poly top in place. Or, remove the clips and install the full stainless top in minutes. To comply with USDA regulations, the poly top is only available as a two-piece unit.
- 96 inches L x 30 inches D x 34 inches H.

#### 3. Customize to suit your specific needs:

- Stainless Steel Shelf Kit.
- Stainless Steel Backsplash.
- Caster Kit.

## A. Lower Stainless Shelf Kits

Fully adjustable stainless steel shelf. Shelf removes easily from clips for washdown, no tools needed.

F.O.B. FACTORY

# Aluminum Knockdown Tables

- Knockdown aluminum tables will not rust.
- All tables have an I-under brace for additional support.
- Optional undershelf nests on the frame below the table for convenient storage.
- Optional overshelf allows you to place objects up and out of the way.

## BUILD YOUR OWN ALUMINUM KNOCKDOWN TABLE

Choose from three sizes of either a poly or a stainless steel top, and then add your options.

### 1. Choose your TYPE of table:

- Aluminum Table with Stainless Steel Top.
- Aluminum Table with Stainless Steel Top and Backsplash.
- Aluminum Table with Poly Top.
- Aluminum Table with Poly Top and Backsplash.

### 2. Choose the SIZE of table:

- 48 inches L x 30 inches D x 34 inches H.
- 72 inches L x 30 inches D x 34 inches H.
- 96 inches L x 30 inches D x 34 inches H.

### 3. Choose one or both OPTIONS:

- Stainless Steel Undershelf.
- Stainless Steel Overshelf.

Look below at the ordering information box and determine which Product Numbers match the table you have built.

## ProSave™ Ingredient System

Increase productivity, improve food safety and decrease supply costs.

- Scoop hook allows the scoop to be stored inside the bin and out of the product for quick access to each ingredient.
- By holding the scoop handle and securing it to the hook, hands do not touch the ingredients and the risk of cross-contamination is decreased.
- Integrated sliding lid for one handed access.
- See-thru lid slides along easy-glide track, to open.
- Assists in complying with FDA Food Code 30304.12.
- First in, first out (FIFO) fill compartment.

Scoop included and is easily stored inside.  
10-gallon lid includes 2-cup scoop.  
20-gallon lid includes 3-cup scoop.  
32-gallon lid includes 4-cup scoop.

Scoop hook allows scoop to be easily accessible.

Scoop handle is held out of ingredient bin preventing cross-contamination.

Snap fit secures to base to make handling easier.

Rotating clear lid fits on 10-, 20-, or 32-gallon round containers (sold separately).

3-inch casters.

# A HANDLE FOR EVERY APPLICATION

## Which Handle Should I Order?

Tapered handles fit most squeegees. Threaded handles fit scrub brushes, push brooms and some squeegees. The handles we list with these products on the following pages, are only our recommendation.

NEED HELP? Call one of our Customer Service Representatives for additional information, or to find out about other types of handles not shown.

## Microfiber™ Cleaning System

Microfiber material dries faster and more thoroughly than common rags and rag mops — reducing the potential for encouraging bacterial, mold and mildew growth.

### A. Wet Mop Pad

- Greater surface contact eliminates the need to mop the same area over and over.
- Special looped-end fibers glide over floors for easier mopping, no linting.
- Available in two sizes: 18 inch or 24 inch.

### B. Dry Mop Pad

- Ribbed center mat attracts and holds dust like a magnet.
- Large looped fringe keeps dust from flying; grabs larger particles and debris.
- Unique design polishes hardwood, marble, terrazzo and other smooth surfaces as you dust.
- Available in two sizes: 18 inch or 24 inch.

### C. Aluminum Heads

- For use with wet or dry microfiber floor pads.
- Heavy-duty aluminum construction.
- Triple riveted VELCRO® for durability.

### D. Telescoping Aluminum Handle

- Handle extends from 40 to 70 inches.
- Designed for use with aluminum mop head shown above.

### E. 6-Gallon Mop Pail with Lid

- Ideal for carrying soiled pads and cloths.
- Ideal for use with 18-inch mop pads. • Color: gray.
- Dimensions: 20-1/2 inches x 10-1/2 inches x 11-1/4 inches.

## J-Fill® QuattroSelect® Dispensing System

Wall-mounted dispensing system that accurately dispenses four different products into bottles or buckets. This system is safer, more reliable and more accurate than any other chemical dispensing platform in the industry.

- Simple bottle installation. Simply select four cleaning products from the list below.
- One-handed low flow bottle filling, or use the hose to fill a bucket.
- Remote high flow bucket/autoscrubber fill gun. • SmartValve™ product selection.
- No metering tip installation — bottles come pre-tipped to ensure dilution accuracy and cost control.
- Easy to repair, quick change manifold. • Powder-coated locking steel doors to prevent misuse.
- Product identification windows. • Drip tray with drain hose.
- Meets ASSE 1055-B back-flow prevention requirements.

**CALL 800-456-5624**

**For Pricing and To Order.**

SmartValve™ product selection.

Simple installation.

Remote high flow bucket/autoscrubber fill gun.

Low flow bottle filling option.

## WorkHorse® E2 Foaming Antimicrobial Hand Soap

One step hand wash formulated to work with a pump system or in foaming soap dispensers.

- Rich, smooth lather effectively removes animal fats and oils.
- Meets or exceeds all USDA requirements for an E2 hand soap.
- Non-irritating, fragrance-free foam rinses quickly.

### NSF E2 RATING CODE

#### ONE-STEP HANDWASHING AND SANITIZING PRODUCTS

Approved for use throughout the plant.

Approved for hand/food contact after handwashing.

Hands need not be washed prior to using.

After use, hands must be thoroughly rinsed with potable water.

SEE CHART ON ► PAGE 162  
For Additional USDA Rating Codes

## Washdown Compact Scales

Ideal for fast and accurate checkweighing in washdown and dusty applications.

- Large LCD digits provides excellent visibility.
- 5,000-hour continuous operation with 6 D alkaline batteries, LED and backlight off.
- Key lock function prevents unwanted changes to the scale settings.
- Auto power OFF function avoids wasting power when the scale is inactive for a set period of time.
- Four selectable weighing resolutions: 1/3,000, 1/6,000 (or 1/7,500), 1/12,000 (or 15,000), and 1/30,000.
- Multiple weighing units: gram, kilogram, pound, ounce, troy ounce, pound-ounce, tael (Singapore/HK jewelry/Taiwan), tola and Newton.
- Counting mode to count a number of small pieces of the same weight instantly and precisely.
- Take-away check weighing possible using auto-tare and negative comparison functions.
- Six D batteries required, sold separately. ➡

## Shrink Film

This multilayered film is versatile enough to perform on all sealing systems and shrink tunnels. The premium resin formulation provides our strongest seals and offers a high shrink force, making it an ideal choice for multi packing and unitizing product.

- Wide window of operation — Performs across a complete range of applications and equipment. Ideal for older equipment.
- Crosslinked technology — Provides consistent sealing and shrinking at a broader range of temperatures.
- Superior sealing performance — On all types of equipment and sealing technology. Yields cleaner, stronger seals eliminating blowouts. Save time and money on expensive rewrips.
- Higher shrink force — Ensures greater package integrity for multi-pack applications.
- FDA compliant — for direct food contact. • Printable — For enhanced marketing opportunities.
- Fully recyclable.
